CAREER OBJECTIVE

Motivated and detail-oriented final-year Bachelor of Data Science student at Eastern Africa Statistical Training Centre (EASTC), Dar es Salaam. Combines strong academic foundations in data analysis, statistics, and software development with hands-on experience at the Tanzania Revenue Authority (TRA). Passionate about building data-driven solutions and modern web applications that solve real-world problems. Seeking opportunities to grow professionally in data science, software development, or IT consulting.

WORK EXPERIENCE

Audit Officer Intern — Field Training

Tanzania Revenue Authority (TRA), Audit Department

2024 | Dar es Salaam, Tanzania

- Participated in tax audit processes for corporate and individual taxpayers.
- Assisted senior auditors in reviewing financial records and identifying non-compliance issues.
- Prepared preliminary audit working papers and documented findings accurately.
- Gained practical knowledge of Tanzania tax law, TRA systems, and compliance frameworks.

EDUCATION
